

## North Highland Forest District East Sutherland Land Management Plan

Plan Reference No: 030/516/403  
Plan Approval Date: \_\_\_\_\_  
Plan Expiry Date: \_\_\_\_\_

## Contents

### I. Background information

#### 1.0 Introduction:

- 1.1 Setting and context
- 1.2 History of the forest
- Map 1 – Location and context
- Map 2 – Key features – Forest and water
- Map 3 – Key features - Environment

#### 2.0 Analysis of previous plan

#### 3.0 Background information

- 3.1 Physical site factors
  - 3.1.1 Geology Soils and landform
  - 3.1.2 Water
  - 3.1.3 Climate
- 3.2 Biodiversity and Heritage Features
- 3.3 The existing forest:
  - 3.3.1 Age structure, species and yield class
  - 3.3.2 Site Capability
  - 3.3.3 Access
  - 3.3.4 LISS potential
- 3.4 Landscape and land use
  - 3.4.1 Landscape character and value
  - 3.4.2 Visibility
  - 3.4.3 Neighbouring land use
- 3.5 Social factors
  - 3.5.1 Recreation
  - 3.5.2 Community
- 3.6 Statutory requirements and key external policies

#### 4.0 Analysis and Concept

- 4.1 Analysis of opportunities
- 4.2 Concept Development
- 4.3 Analysis and concept table
- Map 4 – Analysis and concept
- 4.4 Land Management Plan brief

### II. Land Management Plan Proposals

- 5.0 Legal background of the LMP proposals
- 5.1 Forest stand management
  - 5.1.1 Clear felling
  - 5.1.2 Thinning
  - 5.1.3 LISS
- 5.2 Future habitats and species
- 5.3 Restructuring
- 5.4 Future management
- 5.5 Age Structure
- 5.6 Management of open land
- 5.7 Deer management
- 5.8 Critical success factors

#### 6.0 Detailed proposals

- 6.01 Request for Determination under E.I.A Regulations 1999
- 6.1 CSM6 form
- 6.2 Coupe summary
- Map(s) 5 – Management coupes (felling)
- Map(s) 6 – Future habitats
- Map(s) 7 – CSM6 Future operations
- 6.3 Tolerance table
- 6.4 Management prescriptions types
- 6.5 Productive forestry prescriptions
- 6.6 Native woodland prescriptions (NVC)

#### Appendices:

- i) Scottish planning framework
- ii) Key policies
- iii) Consultation record - External
- iv) Consultation record – Internal
- v) Archaeological record
- vi) Dornoch Firth NSA Special Qualities Assessment
- vii) Bibliography

#### Support documents:

- Panoramic landscape perspectives
- Designated site plans
- Monument Management Plan
