

North Highland Forest District Easter Ross Forests

The Coag,

Strathrory,

Morangie Forest

Plan Reference No: 030/516/083
Plan Approval Date: _____
Plan Expiry Date: _____

Contents

Summary of Proposals

1.0 Introduction:

- 1.1 Setting and context
- 1.2 History of the forest

2.0 Analysis of previous plan

3.0 Background information

3.1 Physical site factors

- 3.1.1 Geology Soils and landform
- 3.1.2 Water
- 3.1.3 Climate

3.2 Biodiversity and Heritage Features

3.3 The existing forest:

- 3.3.1 Age structure, species and yield class
- 3.3.2 Site Capability
- 3.3.3 Access
- 3.3.4 LISS potential

3.4 Landscape and land use

- 3.4.1 Landscape character and value
- 3.4.2 Visibility
- 3.4.3 Neighbouring land use

3.5 Social factors

- 3.5.1 Recreation
- 3.5.2 Community

3.6 Statutory requirements and key external policies

4.0 Analysis and Concept

- 4.1 Analysis of opportunities
- 4.2 Concept Development
- 4.3 Analysis and concept table

5.0 Land Management Plan Proposals

5.1 Forest stand management

- 5.1.1 Clear felling
- 5.1.2 Thinning
- 5.1.3 LISS

5.2 Future habitats and species

5.3 Restructuring

5.4 Future management

5.5 Age Structure

5.6 Management of open land

5.7 PAWS restoration

5.8 Deer management

5.9 Critical success factors

5.10 New Planting Proposals

Appendices:

- i) Scottish planning framework
- ii) Key policies
- iii) Consultation record - External
- iv) Consultation record – Internal
- v) Management prescription types
- vi) Forest Design Plan brief
- vii) Tolerance table
- viii) Coupe Summary (CSM6)
- ix) Archaeological Record
- x) Productive forestry species prescriptions
- xi) Native woodland species prescriptions (NVC)
- xii) Landscape analysis
- xiii) Red Squirrel Stronghold Assessment and Plan
- xiv) Bibliography

Support documents: Maps

- 1. Location and context map
- 2. Key features – forest and water map
- 3. Key features – environment map
- 4. Analysis and concept map
- 5. Management coupes (felling) map
- 6. Future habitats (restocking) map
- 7. CSM6 Felling coupes, planned roads and new planting map
- 8. Landscape analysis map
- 9. Visual force map

Support documents: Panoramic landscape perspectives (9 for this plan area)

Support documents: Designated site plans (1 relevant to this plan area)

Support documents: Monument management plans (12 for this plan area)
