The summit of Beinn Lora

Our Eagle's Eyrie trail is also the start of the hill walking path to Beinn Lora. The summit isn't very high – just 1,010 feet (308m) – but the views over the coast and islands, and back down Loch Etive to the Ben Cruachan range, are well worth the effort! (This is an un-waymarked route on private ground suitable for fit and experienced hill walkers only.)
