

CCT Support for CAT

**Classification: OFFICIAL**

**Dear Ann I'm delighted to be able to write to you in support of the Cairnbaan Community Trusts application to request transfer of ownership of the Forestry Land Scotland Knapdale vacant offices in Cairnbaan to the Community Trust.**

**I believe this is a real milestone for the group to achieve to be able to have a focus and Hub in the centre of the village where all sorts of activities can be undertaken.**

**I have been really impressed by the energy and vision of the group and do believe that Cairnbaan will be the benefit of such a transfer allowing the area to grow a true and vibrant community spirit by getting as many involved locally in events etc which I see a hub being an essential part of the project.**

**I do hope Forestry Land Scotland will accommodate the request for transfer and I for one will certainly be doing all I can to support the local community grow to its full potential.**

**If you require any further clarification, then please do not hesitate to contact me and I would be happy to provide further support if required.**

**Yours Sincerely**
