Coupe 70004:
Existing oak woodland - we intend to underplant up to 2 hectares with native broadleaves to supplement natural regeneration.

Coupe 70005:
Existing oak woodland - trees planted in 2019 have partially failed. Maintenance work will be undertaken to restore these areas.

Coupe 70010:
Existing mixed woodland - we intend to underplant up to 1.5 hectares with native mixed broadleaves (& some ornamentals) to supplement natural regeneration.

Coupe 70013:
Existing mixed woodland - we intend to underplant up to 1 hectare with native mixed broadleaves (& some ornamentals) to supplement natural regeneration.
