

**Community Asset Transfer of Glenmore Visitor Centre, land and car park from FLS to Aviemore
Glenmore Community Trust**

To whom it may concern

I would like to confirm my whole hearted support of the CAT transfer from FLS to Aviemore Glenmore Community Trust of the Glenmore Visitor Centre, land and car park.

I have attended a public meeting held by AGCT at Glenmore, two private meetings with AGCT members and I have also read their aims and ambitions for the Glenmore Visitor Centre. As a local person I am very excited by their plans and feel that their vision for the Glenmore Visitor Centre will not only benefit the immediate surrounding area but also all of Badenoch and Strathspey as they will signpost visitors to other attractions in our area.

I know most of the AGCT members personally and they are people who live locally and have the best interests of our area at heart and will always balance business promotion and tourism with the welfare of local people. Their energy, drive and enthusiasm are apparent in the success they have made of bringing an ice rink back to Badenoch and Strathspey, which has been achieved by working closely with partners, including businesses and local volunteers. These skills and experiences will stand them in good stead at Glenmore Visitor Centre.

If you would like any further comment or information please do not hesitate to contact me.

Best Regards

Cllr Russell Jones
