-  Reservoir and hydro scheme access
-  Great Trossachs Path
-  Forest roads
-  Land management plan boundary

 **Forestry Commission Scotland**  
Coimisean na Coilltearachd Alba

It's important to keep people informed about management proposals affecting their local forests.

Forestry Commission forests are independently certified as being responsibly managed. We're regularly audited against the United Kingdom Woodland Assurance Standard - the standard endorsed in the UK by the International Forest Stewardship Council™ and the Programme for the Endorsement of Forest Certification.

Keeping in touch with our stakeholders is an important part of the standard. We welcome comments on these proposals.
