Forestry and Land Scotland | Coilltearachd agus Fearann Alba

South Knapdale LTP

FLS fencing
Ensure fencing appropriate and maintained as required.

Roading and access
Good network of in forest roads, maintain and keep accessible. Severely restricted and consultation routes, see TTMP B8024 Kilberry Loop Road - Ormsary - North to A83 Inverneil plan.

Local Landscape Area
Local Landscape Area covers western edge of block. Maintain and enhance views.

Coupes
Ensure that coupes relate to landscape character and scenic quality. Scale, shape and plan coupes to maximise cost efficiencies for felling, access provision and re-establishment effectiveness.

Deer management
Provide opprtunity for appropriate and effective deer management and integration with neighbouring landowner deer management.

Ancient Woodland Sites (AWS)
Identify, protect and enhance AWS. Restore PAWS sites.

Timber
Maintain sustainable quality timber production

Atlantic Rainforest
Proactively manage and restore Atlantic Rainforest. Measures include rhododendron control.

Larch
Develop a programme to remove most of larch in phase 1 or phase 2, if phase 1 not feasible.

Private Water Supplies
Protect drinking water and enhance riprarian corridors.

Tree species
Diversify the forest block in terms of age and species as appropriate.

Community and landowners
Ensure liaison and consultation.

Heritage features
Local and Scheduled Monuments. Ensure features are protected.

Wetland habitats
Restore and maintain areas of bog/wetland habitat where appropriate, and other priority/protected species and habitats. Select suitable tree species for soil type.

Recreation
Maintain suitable community and visitor walking access where appropriate.

Utilities
Protect infrastructure and ensure correct buffer zones.

Core paths
Core path C295 (Inverneil to Tarbert via Kilberry NCN) - follows route of B8024 through the block. A second core path C106 (Torinturk circular, Giants grave and Dun) has a short loop within the visitor zone in the south-east of the block. Ensure operations don't effect core paths and they remain open.
