> Dear Sir/Madam,

>

> As a regular visitor to the area, I read with interest the proposal from Aviemore & Glenmore Community Trust to acquire the Glenmore Visitor Centre. I write in support of this proposal which would create a real learning and tourism asset for visitors and the wider community.

>

> As someone who has used the community ice rink in Aviemore, the Community Trust have demonstrated their ability to manage and sustain an asset which has generated growth, provided jobs and brought income to the area. Likewise, acquiring the Glenmore Visitor Centre would be a good opportunity to build on that success and enhance the visitor experience and also the learning and education opportunities for schools and community groups through the rich heritage of the area whilst supporting wider plans in the area to tackle climate change.

>

> I wish the Trust every success with this exciting proposal.

>

> Yours faithfully,

>
