Dear Ms MacLeod,

Community and Renewable Energy Scheme (CARES)
Extension of CARES Loan: P42263

<i>CARES Project ref</i>	P42263
<i>Project name</i>	Raasay Hydro
<i>Loan offered (£)</i>	£120,833
<i>Funds drawn down (£)</i>	£99,502
<i>Approved drawdown for 2019/20</i>	£21,331
<i>Remaining</i>	£0

I am pleased to advise that Local Energy Scotland have approved the extension of your CARES loan drawn down period to 31 March 2020. This extension means that invoices for work carried out on your project can now be submitted up until that date. The extension will make available to you all the remaining balance on your current CARES loan.

If you have any queries in relation to this matter please get in touch with either me or your Local Energy Scotland Development Officer.

Yours sincerely,

Ian Stewart
