Dear Sir/Madam,

I am writing to express my enthusiastic support for the Aviemore and Glenmore Community Trust (AGCT) and their asset transfer proposal to purchase around 0.55 hectares of land including the Glenmore Visitor Centre and Car Park.

As someone who has grown up here, I have experienced the various developments in and around this area over the years, and can personally attest to the need for this proposal in our community.

AGCT have already demonstrated that they are competent, with their successful implementation of the ice rink facility in Aviemore of which many of my students benefit from. I would welcome any further opportunities for our young people to benefit from a local educational space that schools and community groups could utilise and believe that AGCT are more than capable of delivering this.

Yours sincerely,
