

Extensive hill track network provide access through the glen and onto the hills for a variety of users.

Gates for access through electric fences, with live wire buried for safety and stiles every 500m (indicative on map). Electric fences will be signed as being live.

Future car park and interpretation/information point.

Informal low level trails in/around woodland creation areas to allow visitors to experience habitat change.

Legend

	Access		Buildings		Core Paths		Watercourses
	Planned Gates		Forest Roads		ATV Tracks		Forest Blocks
	Planned Stiles		Existing Gates		Proposed Deer Fences		Cairngorms National Park Boundary
	Existing Gates		Proposed Electric Fences		Existing Fences		Forest Blocks
	ScotWays Rights of Way		Existing Fences
