

M5: Landscape Scale Opportunities & Constraints

Legend

- Core Path
- A85 Trunk Road
- Oban to Tyndrum Railway
- Taynuilt Land Management Plan Area
- North Argyll, Area of Panoramic Quality (APQ)
- SPA Glen Etive & Glen Fyne
- SAC Loch Etive Woods
- SSSI (Name on Map)
- Ben Cruachan Summit
- Private Water Supply

The most significant landscape scale factors are:

- Conservation Designations (SSSIs & the SAC) both within and adjacent to the LMP area.
- Landscape/Visual Impacts from the A85 Tourist Route & Trunk Road, the Oban to Tyndrum Railway & the summit of Ben Cruachan.
- Oban public water supply.

Scale: 1:50,000 @ A3
02/04/2020

The western watershed of Glen Lonan feeds the Oban Public Water Supply at Loch Nell.
