Dear Mrs Wingate

**LOCHGOIL WATERSPORTS CLUB**  
**COMMUNITY ASSET TRANSFER SCHEME – BOATYARD AT CORROW**

Many thanks for your recent letter seeking the Lochgoil Community Council's endorsement of the Lochgoil Watersports Club application to purchase the Boatyard at Corrow under the Community Asset Transfer Scheme.

We are aware that the Club was established over thirty years ago and caters for not only members from the local community and beyond but also visitors to the area. We note from your letter that there has been an extensive period of work over the years to improve facilities at the boatyard for the membership and visitors alike and that these improvements have enabled the Club to hold events open to everyone. The Lochgoil Community Council are fully supportive of the Club's application to purchase the Boatyard at Corrow through the Community Asset Transfer Scheme and hope that the Lochgoil Watersports Club will be successful in achieving this.

Yours sincerely

Iain MacInnes, MBE  
Chair of Lochgoil Community Council
