1	Scheduled Monument	SM 9712 - Tentsmuir WWII coastal defences	The monument consists of a complex of linear defences, running from Leuchars Airfield in the south to Lundin Bridge in the north-east. It is made up of concrete anti-tank blocks, command posts, quadrant towers, pill boxes and what may have been a bombing decoy post to the north of the airfield. There were also anti-glider posts on the foreshore, some of which are still visible under certain tidal conditions, and barbed wire entanglements. Set back behind the main line was a camp for those who built and later defended the line.	NO 504 258	National Importance	546
