To Whom It May Concern

Dear Sirs,

I am writing on behalf of Aviemore Community Enterprise Company Ltd (ACE) to express our support for the Asset Transfer Request made by Aviemore and Glenmore Community Trust. ACE is a long established local Community Enterprise, which leads and supports a wide range of community assets and activities. We very much recognise the importance of the Glenmore area for both visitors and local people, and we believe this proposal will be a positive enhancement for all.

We particularly welcome the potential for community ownership and management of the catering offering, and the opportunity for investment in the wider community. We are also very supportive of the proposals to celebrate the rich heritage of the Glenmore area.

Best regards

Peter

Peter Long

Director,

On behalf of

Aviemore Community Enterprise Company Ltd.
